

# NELSON AT HOME ADVENTURES MARIONETTE HORSES

## You will need:

- toilet paper rolls
- colored tissue paper
- white glue
- beads
- straws
- twine or yarn
- hole punch
- craft sticks
- duct tape

## How:

- Take one full roll and one half roll. Collage the two pieces with the tissue paper and white glue.
- Poke 4 holes in your whole toilet roll and feed the string through to make the legs. Add beads to the string to complete the legs.
- On the other side poke a hole for another piece of string and thread it through your straw. This is the neck of your horse-Then attach the half roll-Your horse now has a head!
- Take your two craft sticks, crossing them and securing them with tape.
- Take some more string, cutting two equal lengths. Attach one to the head and the other to the body-Tying the loose ends to your crossed craft sticks.
