

PUBLIC NOTICE

WATER MAIN UPGRADES

The City of Nelson is undergoing Water Main upgrades in parts of the City. In order to facilitate the installation of these upgrades, the Water Main replacement project will require a number of road closures and detours.

Location of Water Main Upgrades:

- 300 & 1100 Blocks of Hall Mines Rd.
- 800 to 1100 Blocks of Stanley St.
- 400 Block of Hoover St.

Time Period:

- June 1st to Mid-July 2017.

Potential Impact on Residents:

- **Delays:** Expect delays, so please avoid areas if possible.
- **Detours:** To keep the worksites safe.
- **Street Closures:** These streets will be closed for periods of time to facilitate water main installation.

The Department of Public Works & Utilities apologizes for any inconvenience this work may cause.

For More Information:

Contact Public Works & Utilities at (250) 352-8238 / publicworks@nelson.ca

Water Main work taking place on Hall Mines Road.
